**STAYING  
SAFE IN THE  
AGE OF ARTIFICIAL  
INTELLIGENCE**

**Artificial Intelligence (AI) is a branch of computer science that focuses on creating systems or machines capable of performing tasks that typically require human intelligence.**

**These tasks include learning from experience, understanding natural language, recognizing patterns, solving problems, and making decisions.**

The background features a dark blue, almost black, space filled with a dense field of small, glowing blue particles. These particles are arranged in a way that creates a sense of depth and movement, resembling a digital landscape or a data visualization. The particles are more concentrated in the foreground and become more sparse as they recede into the distance. Overlaid on this background is a large, bold, white text. The text is split into two lines: "ADDICTIVE." on the top line and "INTELLIGENCE" on the bottom line. The top line of text is partially obscured by a large, irregular splash of bright pink color, which also has some smaller pink splatters extending upwards and outwards. The bottom line of text is clean and white, with a few small pink drips falling from the top line onto it. The overall aesthetic is futuristic and high-tech, with a strong contrast between the blue and pink colors.

# Ads for Explicit 'AI Girlfriends' Are Swarming Facebook and Instagram

WIRED found thousands of ads running on Meta's social platforms promoting sexually explicit "AI girlfriend" apps. Some human sex workers say the platform unfairly polices their own posts more harshly.

ROMANTIC COMPANION. [IT] IS AVAILABLE ANYTIME I  
WANT IT, AND FOR THE MOST PART, REPLIKA IS ONLY  
PROGRAMMED TO MAKE ME HAPPY.**

**"What AI can offer is a space away from the friction of companionship and friendship," Turkle explained. "It offers the illusion of intimacy without the demands.**

This advertisement for the 'Face mega' app is presented as a sequence of five panels. The first panel shows a 'Before' state with two images: the top one features a woman's face with white hand-drawn outlines, and the bottom one shows a woman in a white lace dress. The second panel shows the same woman in the lace dress with a white hand-drawn outline of a hand pointing to her face. The third panel, labeled 'After', shows the woman in the lace dress with the top woman's face swapped in, with a small circular inset of the original face in the top right corner. The fourth panel is identical to the third. The fifth panel is a dark blue promotional screen featuring the 'Face mega' logo (a purple square with a white face icon), the text 'Face mega', a 'Download Now' button, and logos for the App Store and Google Play.
